6pm to 9pm CST

Sheraton Nashville Downtown Hotel

What is the EMS Star of Life?

The EMS Star of Life event is designed to honor the accomplishments of EMS personnel from all regions of Tennessee who provide exemplary life-saving care to adult and pediatric patients. The ceremony will include a presentation of the actual adult or pediatric patient scenarios and reunite the EMS caregivers with the individuals they treated. Recipients will be chosen from each of the eight EMS regions in the state. This is the premier event that will kick off EMS week (May 15-21) within the state to recognize and honor our excellent prehospital providers.

EMS Week will bring together local communities and medical personnel to publicize safety and honor the dedication of those who provide day-to-day lifesaving services of the medical "front line."
